THERE'S ALW

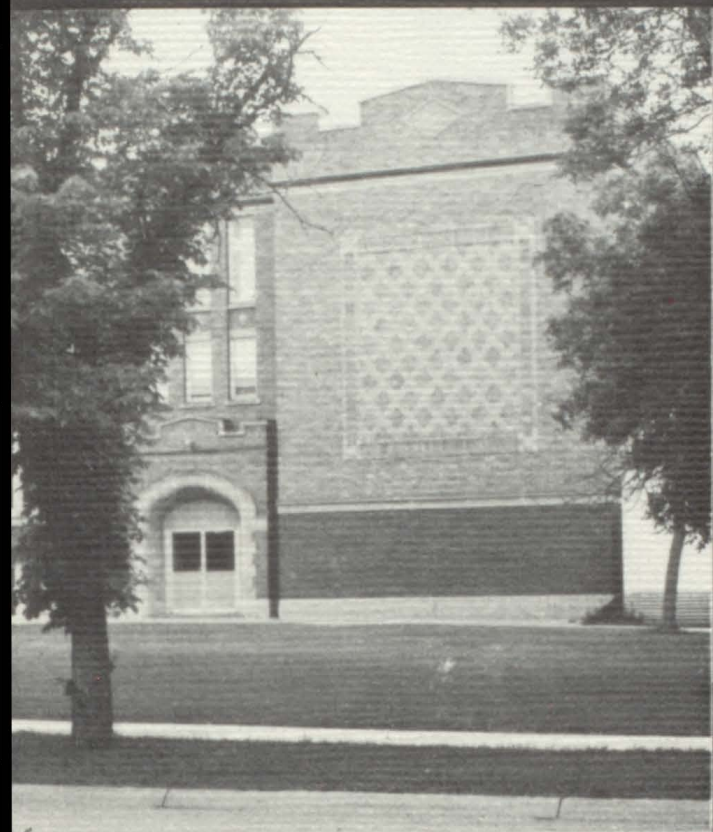

THERE TO

AYS SOMETHING

REMIND ME

There's always something there to remind us of all the cherished memories of the care-free high school days - an award, a trophy, a research essay, a best friend, a class play, a class ring, a special party, a universal smile, a helping hand, the wonderful feeling of accomplishment in sports and in academics, dedicated teachers, a concerned administration, a thoughtful staff, and most of all a caring student body searching for knowledge. Finally, the remembrances begin, as we receive our diploma which begins to remind us of all the trials and joys of our high school days.

To capture these special moments to help you reflect, we, the Redbird Staff, present to you these memories to always have something there to remind you.

Look back with love and with joy.

1983 Conference Players

GIRLS' BASKETBALL

The 1983 Girl's Basketball team had a great season under Coach Rick Ulmer. Margo Brost and Rhonda Wallace were named to the 1983 all-conference team. Many records were broken this year. Margo Brost set the record for the most rebounds in a game. The team broke the school record for having 82 points scored in one game against Montpelier. Also, there were two new rules added to the game this year. One is the three point line, and the other was allowing only two time outs per half each team. These new rules and many other things made this year exciting for the girl's basketball team.

The Cardettes put in lots of practice, time and hard work this year. As a result of their efforts, the girls brought home the State Class "B" first place trophy for the second consecutive year. The Cardettes used Frank Stallone's "Far From Over" for their competition routine. Competition was held this year on Feb. 11th, in Jamestown, and the girls were once again met by a car caravan and a police escort. The Cardettes learned three new routines **this year. The members of the Cardettes** are: Melissa Fehr, Shawnda Rudolf, Susan Houghton, Teresa Ost, Melodee Zink, Andre Beringer, Margo Brost, Kelly Thorpe, Allison Steinwand, Dawn Ulmer, Lorraine Zvorak, and Gloria Hoffman. The Cardettes were advised by Mary Ulmer. Their drummer was Scott Gayman, and Lloyd Billey did the video-taping for the girls. We as a school and the community should be very proud of the Cardettes.

GRADUATION DAY

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to love
With whom we laughed and cried.
Remembering the fun and laughter,
The problems and the fears,
And watching all our memories grow
Throughout our high school years.

The memories of our dances
And the new friends that we've met,
Vacations, teachers, talking
And exams we'd rather forget.

Yes, high school days are precious but brief,
Where all your dreams come true;
It is not the end, but the beginning
Of a life we'll start anew.

1984 Graduation Memories

We are gathered here together, now to say our last goodbye. Some of us are smiling now and some of us will cry. This evening full of meaning is coming to a close. The past is done and over, the future before us grows. And who knows, and who knows.

We have shared our times together and done the best we could. Some things didn't turn out well; others were so good. We have dreamed our dreams and set our goals and boldly moved ahead. The future's looking bright, you see, and for us holds no dread, holds no dread, holds no dread.

For we've made it through these years, you see, and now we close the door. With pride we want to show you, that we can do much more. For when we leave our school and home to places far and near, we have left a part of us we hope you'll cherish here, cherish here, cherish here.

A Universal Smile

Yuri Nonomeya came to us from Japan and gave us the joy of exploring and comparing her culture. She brought us a friendly smile, her friendship, and shared her customs with us. Yuri stayed with the Bettings as her host family. While here, she noticed that the schools were especially different from Japan's in that the American schools were more relaxed and the requirements for graduation were less demanding. Circumstances prevented her from completing this year with us. We miss her greatly and wish her life's best for her. Her universal smile carries across the ocean and language barriers.

JUNIORS

The Junior Class was excited at the arrival of their class rings. Selling magazine to raise money for Prom was just one of the many projects. The music provided for Prom came from *Jessica*. Colors for this were black, gray, white, and light blue. "We've Got Tonight" was their theme. Mr. Longtin returned as guest speaker. The Junior Class was advised by Mr. Johnson.

ADMINISTRATION

The Ellendale School Board has been very busy this year. One of the main jobs was to find a principal, Mr. Paschke. Other concerns have been with budgeting the finances, working with the bond issue to get a new school, and eliciting ideas from an architect to redesign the rooms. New policies and procedures for the school are made and voted on here. The school is fortunate to have a concerned school board and administration.

New Principal-Mr. Paschke

STAFF

The School Staff keeps things organized around here. If it were not for the Secretaries, who would listen to our excuses? The Cooks help feed us and listen to all the complaints. The Janitors clean the halls, and rooms, and keep the graffiti off the bathrooms. Thanks to the Bus Drivers who put up with a lot of noise and put in a lot of miles. The staff adds many memories which will not be forgotten.
